The Wartook Valley is a picturesque locality on the western side of the Grampians, which forms a major gateway into the Grampians National Park.

Known as the **“Sunny side of the Grampians”**, you will enjoy the peace and tranquillity. Great mountain views, and wildlife in abundance, especially birds and kangaroos.

It really is a destination for all seasons.

Wartook Gardens is an ideal base to enjoy the Grampians National Park, all year, and the Little Desert during the spring.

Everything is here for the artist, photographer, naturalist, bush-walker, and those who just need to “recharge their batteries”.

We are close to popular Zumstein, MacKenzie Falls, Lake Wartook, Reid's Lookout and the Balconies. There are many other great walks within 25mins.

Take an easy drive to wineries, galleries, craft shops, Wimmera Lakes, Mt Arapiles, Toolondo or Rocklands Reservoirs.

The Northwest Grampians is one of the richest areas in Victoria for aboriginal Art sites. There are also many other historical sites in the area.
